# CUSTOMIZED OPTIONS

We offer a range of covering materials, including genuine leather, PU leather, microfiber leather, fabric, and velvet, for customers to choose from. The products showcased in this sofa catalog are for demonstration purposes related to style and design. The specific style and dimensions of the sofa can be custom-made to match the customer's specific spatial requirements. To ensure an accurate match with the product you desire, we recommend confirming the materials and dimensions with our sales colleagues in advance when placing an order.
